

HUTCHESONS' GRAMMAR SCHOOL
EQUAL OPPORTUNITIES STATEMENT
JUNE 2024

Hutchesons' Grammar School is fully committed to equality, diversity, and inclusion. Our vision is to create an inclusive environment which celebrates the diversity of our staff and pupils. We recognise that diversity brings new and engaging perspectives and enriches the experience of all who work, study and visit our School. We will take a proactive approach to embedding and mainstreaming the principles of equality, diversity and inclusion through the continuing development of our Strategic Vision.

By embracing and celebrating our differences, we aim to prepare our pupils to become compassionate, responsible, and active global citizens. We are dedicated to ensuring that everyone at Hutchesons' Grammar School has the opportunity to thrive and reach their full potential.
